

# UPENDO – SUSTAINABLE SERVICE-LEARNING PROJECT

## January- July 2019 Progress

*Guard House + Supplies store (completed in June, 2019)*

*Exploring underground water (June, 2019)*

*We Found water at 100 meters*

*Constructing water tank tower (June, 2019)*

*We got a generator to pump the water (July, 2019)*

*The proposed 20 room Children's Home (In progress since late July, 2019)*

*The poles mark the dining room, to the right is the kitchen.*

*At least we have started..*

*UGA 2019 Service-Learning students visited the project and planted 2 trees to mark their visit to the prospective home for the UPENDO Children. (May– June)*

*Arial view of the 15 acres of the land*
